FYNE "bringing the pieces together"

Design & 3D Modelling

We can make your ideas and concepts into 3D reality

Over the years we have taken concepts or standard details from numerous retailers and worked them into practical solutions this is a cosmetics bar developed from napkin sketch following lunch.

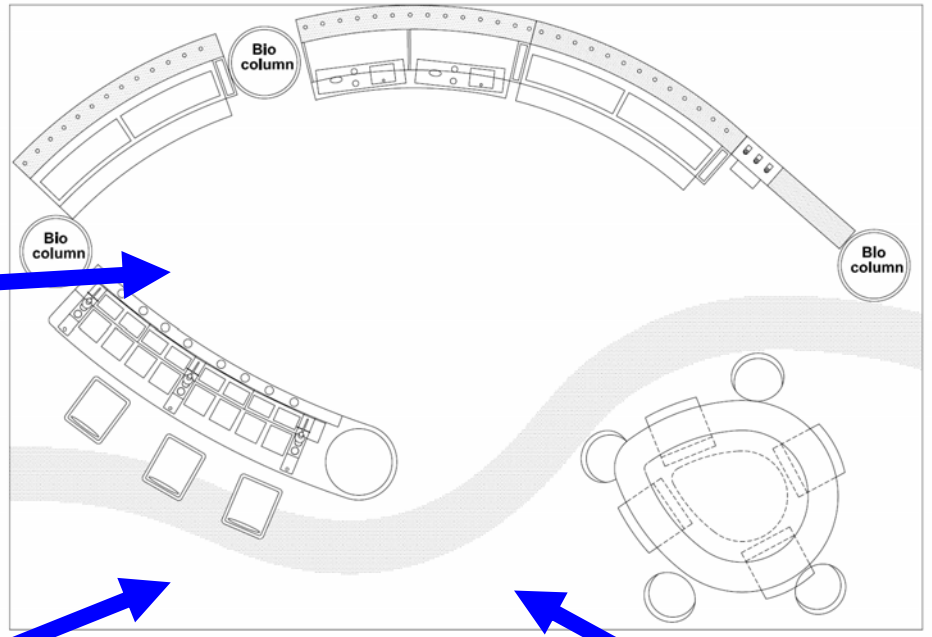

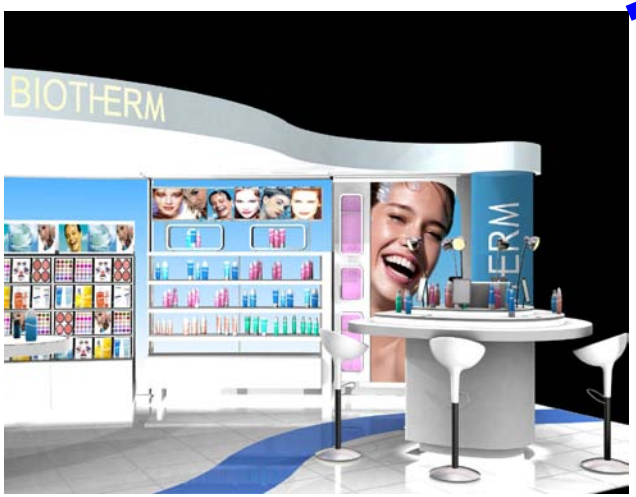

Design & 3D Modelling

3D modelling will allow any view to be seen, or any item of unity to be highlighted as part of a presentation to a retailer or supplier

The Blue arrows show the vision line we have chosen.
